

Reception/ Year 1 Curriculum 2019-20 – Mrs Cairns

	Autumn		Spring		Summer	
Learning Journey	<u>Ourselves</u> 'What makes me, me?'	<u>Light and Dark</u> 'Why is light so important?'	<u>Weather</u> 'What do I need to wear today?'	<u>Animals</u> 'Would you rather be lion or a penguin?'	<u>Farms</u> 'Where did my breakfast come from?'	<u>Transport/Seaside</u> 'How can we get to the seaside?'
Focus	<u>Understanding the World</u> People and Communities	<u>Understanding the World</u> The World	<u>Understanding the World</u> The World	<u>Understanding the World</u> The World	<u>Understanding the World</u> The World	<u>Understanding the World</u> People and Communities/The World
Weekly learning challenges	Who am I?	What is light?	What is the weather like today?	Why don't we find penguins and lions in Middlesbrough?	What did you have for breakfast today?	Where is the seaside?
	Who are the special people in my family?	Why is it dark at night time?	Where is it snowy today?	What animals might you find in Stewart Park?	What is your favourite food?	What different types of transport could take us to the seaside?
	When is my birthday?	Which animals come out at night?	What does it feel like on a windy day?	What animals would you find in a zoo?	Do you know which foods are healthy foods?	Where do you like to go on holiday?
	What are my favourite things?	Does everybody go to sleep when it is dark?	Does it ever snow in Africa?	Where do penguins really live?	Which foods come from plants/animals?	Where did your Grandma and Grandad go on holiday?
	What will you do today?	What special lights do we see at Christmas time?	Does the snow ever melt at the North Pole?	Where do lions come from?	Which animals might you find on a farm?	What did your Mum and Dad and Grandparents like to do at the seaside?
	What do I like to smell, see and hear?	What special light did the 3 kings follow?	Why is the sun hotter in the summer time?	Would you rather live in a hot country or a cold country?		How do we keep safe at the seaside?
	What do I like to taste and touch?	Can you make a christingle orange?				What animals live at the seaside?
	What is Halloween?					

Spring and Summer Learning Objectives will be reviewed in light of new learning at the end of Autumn terms.
