SCHOOL IMPROVEMENT PLAN 2020-2021

KEY SCHOOL IMPROVEMENT AREAS:

OFSTED Inspection Report (February 2017) stated:-

"The school is not yet Outstanding because":-

The current and planned strategies to bring about improvement in pupils' writing continue at a swift pace in order to accelerate further pupils' progress in writing, particularly in Early Years and Key Stage 1.

There is an improvement in the consistency of the monitoring carried out by Senior Leaders of the quality of teaching, learning and assessment.

This year the school has identified the following areas: -

1. To continue to develop the quality of Leadership and Management across the school

- To further develop distributed Leadership and Governance to ensure high expectations, high quality teaching and high standards.
- To support the staff's wellbeing.
- To create a system of checking how key knowledge is being retained in all subjects
- To develop a Parental Involvement programme in school.
- To support governors ensuring all Subject Leaders have a crucial role in ensuring their subjects are appropriately being represented in the curriculum.

2. To continue to improve the quality of education

Intent:-

- To develop comprehensive programmes outlining how they are working at enriching pupils' vocabulary.
- To introduce research-based strategies to develop a child's long-term memory.
- To celebrate great examples of Reading, Writing and Mathematical opportunities in other subjects.
- To have subject leaders check plans, provide advice, and support where needed and ensure that planning follows the agreed sequences.

Implementation:-

- To continue to develop the teachers' knowledge of each subject area.
- To develop staff's ability to use the familiar term 'sticky knowledge' within each subject to support learning.
- To develop the classroom environment to promote reading.
- To use the latest research into feedback and adapted the school's approach to feedback accordingly.
- To develop the pupils' ability to read the lines, read between the lines and read beyond the lines (literal, inferential and evaluative).
- To develop the pupils' ability to do small presentations to the class about a book they have recently and why they would recommend it.

Impact:-

- To continue to raise standards of Writing and Maths throughout the curriculum with more children achieve/exceeding their end of year expectations.
- To extend the tracking of pupils throughout Key Stage 3 and 4.

3. To continue to improve behaviour and attitudes

- To record and analyse incidents of disruptive behaviour.
- The principles of metacognition should be at the heart of the learning culture created in each classroom.

4. To continue to improve the pupils' personal development

• The school will encourage people of other cultures to talk to pupils about their way of life and explain why they have certain traditions. Currently, under our risk assessment this will be done virtually.
